

Kelley Ferraro, LLC, is currently investigating claims related to Inferior vena cava filters or **IVC Filters**.
Our attorneys have extensive experience with drug and medical device litigation.

The Food and Drug Administration (FDA) has issued a warning about injuries related to IVC Filters manufactured by various companies.

Injuries include:

- Filter migration
- Removal surgery
- Internal organ perforation
- Pulmonary embolism

If you have had an IVC filter implanted for more than 6 months you may be in need of a checkup.
If you or a loved one has had an IVC filter implanted please call the trial lawyers of Kelley Ferraro, LLC, at 216.575.0777 or 888.839.8479.
